## EXCHANGE PROGRAMS

Eastern Kentucky University has expanded its international exchange opportunities. Students can now choose a variety of options from the following two exchange programs:

- Avans Exchange
- Magellan Exchange

## How It Works

Students pay regular EKU tuition and fees. Essentially, in-coming students take the place of out-going students at each participating institution. Students are also subject to any application fees that apply.

## ADDITIONAL COSTS

Students are responsible for international airfare, passports and visas, resident fees, room and board, textbooks, health insurance, and personal expenses including leisure travel.

Some member schools may have other miscellaneous fees. Generally \$5,000 plus your normal tuition and fees will cover expenses for a semester.

## AVANS EXCHANGE

AVANS University has campuses in Breda, 'S-Hertogenbosch and Tilburg, with each location offering a different range of study programs. Similar to EKU, Avans has approximately 15,000 students and offers a variety of programs.

Avans University offers study programs in the following subject areas:

- International Business
- Technology
- Economics
- Art and Design

EKU Business students may choose to study for one semester or to pursue the Dual Degree Option. All business courses are taught in English.

## DUAL DEGREE OPTION

EKU Business and AVANS have a dual degree option for exchange participants. Students who complete a year of work at Avans would receive the foreign bachelor's degree upon completion of their BBA degree at EKU.

Detailed information is available in the EKU Advising Office, or the Department of Management, Marketing, and Administrative Communication.

## MAGELLAN EXCHANGE

The Magellan Exchange offers an opportunity for students of member institutions to have an affordable educational and cultural experience in a foreign country for a semester or a full year.

Participants will not only gain global knowledge, develop cultural adaptability and increase their international understanding, but also grow in maturity and self-awareness.

Member institutions are located in Australia, Austria, Belgium, Finland, France, Germany, Mexico, the Netherlands, Spain and the United Kingdom.

## FULL-TIME PROGRAMS

Programs of study include International Business, Economics, and Foreign Languages.

Students enroll for a full load of courses for a semester or year. This is typically 15 American semester hours or 30 ECTS units per term.

Detailed information about available programs, language of instruction and each institution can be found on the Magellan website.
